

# Form-on smartPANEL

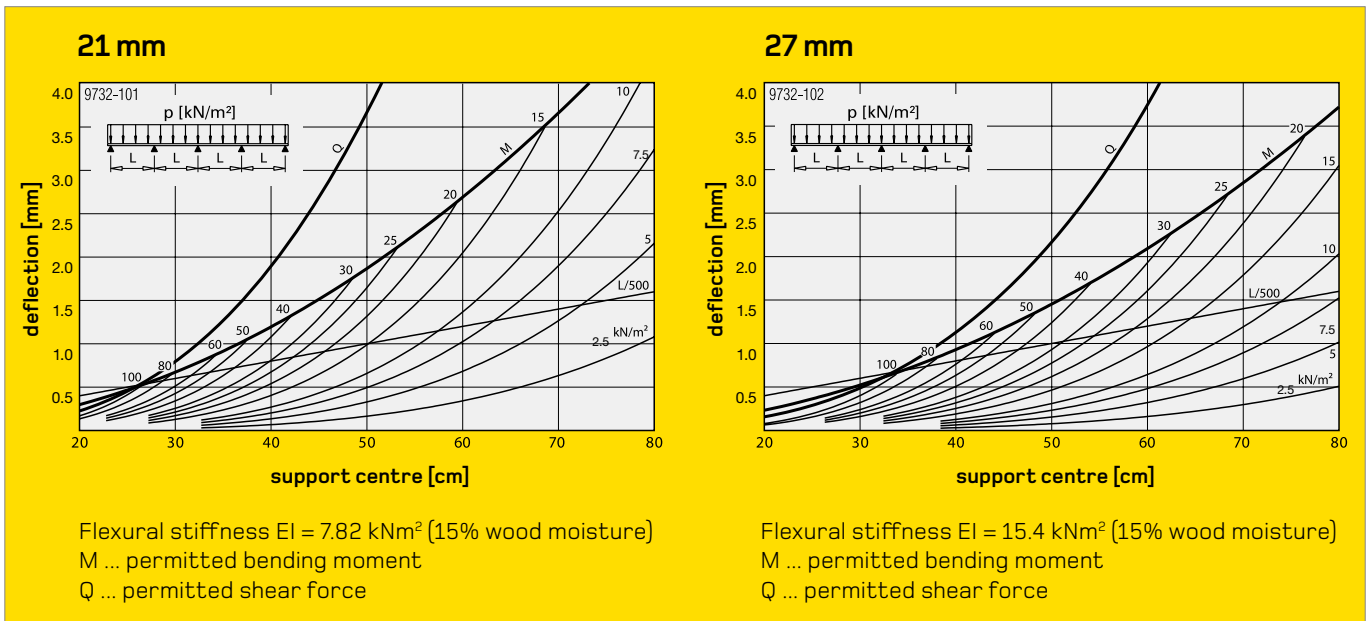

-  consistency of dimensions and angles
-  highly resistant
-  long life span

**FORM-ON**<sup>®</sup>

# Form-on smartPANEL

## Your advantages:

- consistent dimensions and angles resulting from high production standards
- highly resistant thanks to surface coating made of urea-melamine resin glue
- long life span because gluing is resistant to heat, alkali, water and weather
- reliable quality due to production compliant with ÖNORM B 3023
- proven, crosswise glued 3-ply structure made of spruce
