Your advantages:

-  No staining of the edge on concrete thanks to grey edge sealing.
-  Minimal cracking due to the use of main material.
-  Possibility of self-advertising & theft protection through imprint of your company name.
-  Reliable quality due to manufacture in accordance with EN13353 & EN13017-1 and ÖNORM 3023.
-  Clear identification thanks to the brown surface colour prevents premature cutting on the construction site.
-  Reduced moisture absorption.
