

Form-on smartPROPplus 30

With hole numbering
for efficient working

Safe through anti-drop-out
latch and crush guard

Long service life thanks
to galvanisation

Consistently high load
capacity of 8.5 kip at
any extension length

Form-on USA

Form-on smartPROPplus 30

Your advantages:

-  High safety due to high load capacity according to EN1065 class C/E.
-  Reliability in many applications due to forged nut and 8 mm (approx. 5/16") head and foot plate.
-  Safe working thanks to anti-drop-out latch and crush guard.
-  Prop retains its value for many years thanks to high-quality manufacturing and galvanisation.
-  Quick and safe release of the clamped floor prop through optimised thread pitch.

Form-on smartPROPplus 30

Variant	Length cm/ft.	P.U.	kg/lbs	Art. no.
30 300	173-300/5'8"-9'10"	42	16.3/35.9	620051000
30 350	198-350/6'6"-11'5"	35	20.3/44.6	620052000

Quick and easy height adjustment thanks to numbered and engraved pegging holes.

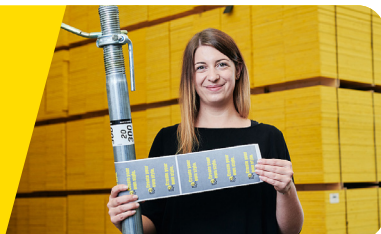

TECHNICAL DATA

Certificate: Z-8.311-946

Load capacity: min. 30kN/6614lbs. for any extension length up to 41.2kN/9262lbs. depending on extension length

Standard: EN1065 class C/E

With your individual branding!
